

I KNOW THE COLOR GAME!

There's a fun game to play, when there's nothing to do.

I'll teach you this game, so you can play along too.

It's easy to learn, cause it's not very hard.

You can play it indoors, or out in the yard.

You can play by yourself, you can play it with others.

You can play with your friends, or your sisters or brothers.

Finding the colors, is a wonderful game!

How many colors, do you think you will name?

How to Play the Color Game!

Pick someone as the "Chooser" and everyone else are "Finders".

The Chooser recites the following:

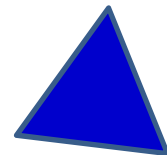

"Wherever we look, we see lots of colors.

We'll look for one now, then we'll look for some others.

Let's look for the color..."

The Chooser then picks a color.

The Finders call out as many things of that color that they can find.

The first one to find 5 different items becomes the new Chooser!

Try it and have some colorful FUN!
